WEBSITE ACCESS

Received: _____ Login: _____ Password: _____

TO CLUB AND ZONE OFFICIALS

Please find attached an application for a user ID and password for the Website access for your club or zone.

The Website is a complete online website for clubs/zones. It allows a club/zone to have complete control over the information that is displayed on the website.

A club/zone will only have access to their own web pages but will be able to load events on to a centralised database.

The key to the Website success and its acceptance by pony clubs across Australia is that as well as providing an online website, it also provides the club with a series of tools that makes the job of communicating with the club members, zone, state and the public easier. These tools include:

- Automatic club office bearers from the membership database with contact details.
- Automatic display of club events from the central database.
- Display of entry forms, results etc for all the state to access.
- Promotion of events
- Photo library of pictures.
- Special promotional activities on display for members.
- Options for members of standard graphics pages or low graphics pages for remote country or palmtop users with slow dialup.

This program is being implemented over an extended time period via the PCANSW website. The first step is educating clubs and zones in its use.

If your club/zone would like to use this facility, please complete the attached application form and return it to the PCANSW State Office. The Trusted Website Official will be advised of their user ID and password (limited to one per club and one per zone).
