Company Profile

What is Pony Club?

Pony Club NSW, established in 1946, is the largest recognised state body for pony clubs in Australia and one of the largest associations of riders in the world. Pony Club NSW is a not-for-profit organisation with all net income generated through club and event management invested into the development of horse riding in NSW through targeting grassroots, and elite development programs, competitions and education programs.

Pony Club NSW exists to encourage horsemanship amongst its members, to provide appropriate coaching and competition, and to raise awareness of sportsmanship and citizenship of its members.

Pony Club NSW has over 270 clubs with over 15, 500 members. NSW has the largest representation of Australian Pony Club memberships at approximately 40%. These Pony Clubs operate from Tweed Heads in the north of the state to Eden in the south. These clubs include riding members up to the age of 25, and non-riding members such as parents and coaches. Such institutions represent the absolute grassroots level of horse riding in NSW. Some of the activities provided by Pony Club in NSW include training and competition in dressage, jumping (showjumping and jumping equitation), cross country, sporting, mounted games, polocrosse, trail rides, campdrafting, show riding, eventing and many others.

The Future

Pony Club NSW seeks to nurture existing partnerships, and form new and exciting relationships. We look forward to you joining us as we continue to lead the way in developing the sport of horse riding from a grass roots level to elite level competition.

Me and my horse Jack at the Frenches forest dressage competition.

My name is Maddie Chappelow, I am 12 yrs old and a member of Avondale pony club. My horses name is Langtree Out and About but he likes to be called Jack for short. He loves to do anything at pony club apart from sporting. I love pony club because you can make friends at any club in any zone and no matter what the trouble is you can always be cheered on and have a help from the qualified instructors in any discipline! If I'm not horse riding I like to spend time with my friends and get ready for my upcoming horse events.

We and My second horse Marke at my first ever royal for team of 4 representing Zone 23 and it was the best time of my life!

If I had 3 wishes I would,
1. Ride at the Olympic games for dressage on "Royal H&R" and win a GOLD medal!
2. Have my house at my pony club grounds!
3. Have heaps of Grand Prix Dressage Warmbloods!

Ashley Craddock

Ashley Craddock from Boudi Pony Club, Zone 24, was named the Pony Club Association of NSW Profile of the Month winner for September 2012. Ashley has won a Bambino Rainbow Halter courtesy of Saddlery Trading Company. Ashley is the first Profile of the Month winner since the competition was inception in July 2012.

BY ASHLEY CRADDOCK

Me and my horse Lovey, at our first competition.

My name is Ashley Craddock, I am 14 years old and a member of Boudi Pony Club. My horses' names are Callista Jensen, also known as Lovey, and Picky Rickwick, also known as Picky. They love to be ridden and they love playing together in the paddock. They also love to go to competitions including shows, dressage comps and pony club interclubs.

My pony Picky just recently turned 33 years old, so he is very special to me. He still goes to shows and competes at his best. Still winning at the age of 33! He was shipped over from New Zealand 18 years ago, he was my mum's pony in New Zealand, she has owned him since he was three years old, and she also saw him being born.

I love pony club because it is really fun to be with your horse friends and ride with them. I also love it because you learn alot of things while you are having fun and there are many different things to do on your ponies and horses.

When I am not riding I love to play my violin and be with my friends and family (including my ponies!).

If I had three wishes I would, make my ponies live forever, have hundreds of horse friends, and go to the Olympics with my pony Picky and compete in the dressage.
